

Date: October 10 to 13, 2009

Region/Country: Bangalore, India

The Asia Pacific region of the World Association of Community Radio Broadcasters, AMARC Asia Pacific, will hold its 2nd Regional conference and Assembly from October 10 to 13 in Bangalore, India. The regional conference will bring together community radio broadcasters, activists, academics, policy makers, and representatives of the donor community and governments to review the development of community broadcasting in the Asia Pacific region in the last four years.
