Youth from around the world are invited to participate in the PLURAL+ Video Festival on the themes of migration, diversity, and identity. The festival is a joint initiative of the United Nations Alliance of Civilizations ([UNAOC](#)) and the International Organization for Migration ([IOM](#)), in partnership with many important international agencies.

PLURAL + aims to empower young people to speak about what they think of migration and diversity and be heard by others all over the world.

Youth ages 9 to 25 are invited to submit short videos on thoughts, experiences and questions on migration-related themes and on the challenges of ensuring respect among various communities.
