Keywords: Europe, Bosnia and Herzegovina, Bosnian, Serbian, Croatian, visual, news, ethnicity, independent.

Commercial TV station broadcasting on the level of the state of Bosnia and Herzegovina, which is divided by its political constitution into three entities. Although based in Republic of Srpska, which is a Serbian constitutive element of the state of Bosnia and Herzegovina, it operates to provide independent and accurate information, just as quality entertainment, irrespective of its national background in an ethnically very divided country.
