Keywords: All Europe, English, employment

Documentary through to Experimental Film and all which lies in between provides the visionary and the observer unlimited possibilities of expression and documentation.

Propose collaboration - Create an on-line profile An on-line profile provides employers and collaborators involved in Documentary/Experimental Film productions and projects to view your profile. A profile may contain your background information, CV, Show/Demo Reels, photo and contact information. Profiles are also viewed upon the application of a job or opportunity.
