CultureCanada.gc.ca, a service from the HYPERLINK

"http://www.canada.gc.ca/main_e.html"Canada site, is the Government of Canada's one-stop web access to government Culture, Heritage and Recreation programs and services.

Created as part of the Treasury Board Secretariat's *Government On-Line* initiative, CultureCanada.gc.ca is based on the GOL principles of "organizing information around the needs and expectations of Canadians", as well as "taking a whole of government approach" in providing information. If you are looking for government grant programs, learning resources, online services, events, or news and publications, this is the place to start.
